

RETAIL JEWELLER INDIA AWARDS JURY MEET – PRODUCT SUBMISSION GUIDELINES

Please Note:

- All jewellery shipments must be packed only in metal containers.
- Jewellery must be packed category-wise, with each category placed in a separate metal box.
- Multiple categories must not be packed together in the same box.
- For example, if participating in 3 categories, kindly pack each category in 3 separate metal boxes and place them together inside 1 larger metal box for shipment.
- The main metal box must clearly mention all company details. The main metal box must be properly sealed and secured with a padlock.
- Every jewellery piece must be securely packed with proper bubble wrapping and cushioning.
- Bridal sets such as necklaces and earrings must be wrapped separately.
- Each box must be clearly labelled with the Retail Showroom Name and Category Name, along with a picture of the respective jewellery piece pasted on top of the box.
- The jewellery inside the box must match the image pasted outside.
- Delicate or small pieces should additionally be secured inside zip-lock bags to avoid damage during transit.
- ***No earring screws/back locks should be sent along with the earrings.***

IMPORTANT NOTE:

- In case screws/back locks are sent, The Retail Jeweller will not be responsible for any loss or misplacement, and no claims or charges regarding the same will be entertained.
- If the products/pieces are not packed as per the above instructions, The Retail Jeweller will not bear any responsibility for breakage or damage costs under any circumstances.
